

Dear Sir or Madam

I am writing to you today to tell you about *“something”* that is working today in our community and our youth are embracing diversity, and overcoming obstacles and challenges. This *“something”* is our little wrestling program called ***Germantown Wrestling*** founded in 2011 has grown to be one of the top 20 youth wrestling programs in the state of Maryland. Much like the community around us, we embrace this diversity and consider ourselves a family. Our Female program has been our fastest growing segment over the last 3 years!

Our USA Wrestling certified coaches will volunteer between 250 and 350 man hours during the course of a season that runs from October to March 2 to 6 hours at a time. While many of us have our families and work responsibilities that require a major portion of time the benefits of giving back to the kids make the additional time commitment so rewarding.

We are very proud of our tremendous growth and success entering our 9th season. This year we are adding 15 to 20 new beginner wrestlerS and expanding our female program we started in 2016. We are self-funded, non-profit program that relies on membership fees and fundraisers to support our program. We provide practice room rental, uniforms, league fees, tournaments and referee expenses just to name a few expenses.

Some of our wrestlers need help with scholarships or even wrestling shoes. Your contribution no matter how large or small goes a long way towards helping to give back to the community. As a separate operating division of ***Germantown Sports Association (tax ID 52-2150368)*** **all of your donations are tax deductible.**

Please take a moment to review our sponsorship opportunities. Many of our current and former wrestling families have been strong supporters of our sponsor partners and organizations. We at ***Germantown Wrestling*** appreciate any contribution and WELCOME you to please come out to one of our events we host in December, or January, and see first-hand what your contributions do for the youth of our community.

Sincerely,

Dave Blankenship
